PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Orbit International Corp. (the “Company”) for use at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held at 10:00 a.m., Eastern Daylight Savings Time, on July 9, 2025 at the offices of the Company at 80 Cabot Court, Hauppauge, New York 11788, and any adjournment thereof.

The Company is furnishing proxy materials exclusively over the internet. We are mailing to our shareholders of record a notice that the proxy materials are available at www.orbitintl.com. The notice provides instructions on accessing the proxy materials and submitting your proxy vote.

VOTING SECURITIES; PROXIES

The Company will bear the cost of solicitation of proxies. In addition to the solicitation of proxies through electronic means, certain officers and employees of the Company, without additional remuneration, may also solicit proxies personally by telephone and electronically.

One-third of the outstanding shares of the Company’s common stock, par value \$0.10 per share (the “Common Stock”), present in person or represented by proxy, shall constitute a quorum at the Annual Meeting. The approval of a plurality of the outstanding shares of Common Stock present in person or represented by proxy at the Annual Meeting is required for election of the nominees as directors.

The form of proxy solicited by the Board of Directors affords stockholders the ability to specify a choice among approval of, disapproval of, or abstention with respect to each matter to be acted upon at the Annual Meeting. Shares of Common Stock represented by the proxy will be voted, except as to matters with respect to which authority to vote is specifically withheld. Where the solicited stockholder indicates a choice on the form of proxy with respect to any matter to be acted upon, the shares will be voted as specified. Abstentions in connection with the vote for the election of directors will not affect the outcome of that vote, while abstentions on the other matters to be voted upon will have the same effect as a vote “against” such proposal. Broker non-votes, if any, will not affect the outcome of any of the matters to be voted upon at the Annual Meeting. A “broker non-vote” occurs when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine”. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. “Non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, election of directors (even if not consented) and matters that relate to executive compensation.

As the stockholder of record, you have the right to vote in person at the meeting. If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you are also invited to attend the Annual Meeting. Since you are a beneficial owner and not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares in its name, giving you the right to vote the shares at the meeting.

At the close of business on June 9, 2025, there were 3,332,574 shares of Common Stock outstanding and eligible for voting at the Annual Meeting. Each stockholder of record is entitled to one vote for each share of Common Stock held on all matters that come before the Annual Meeting. Only stockholders of record at the close of business on June 9, 2025, are entitled to notice of and to vote at the Annual Meeting.

Revocability of Proxy

A stockholder who has given a proxy may revoke it at any time prior to its exercise by giving written notice of such revocation to the Secretary of the Company, by executing and delivering to the Company a later dated proxy reflecting contrary instructions, or by appearing at the Annual Meeting and taking appropriate steps to vote in person.

No Dissenter’s Rights

Under Delaware law, stockholders are not entitled to dissenter’s rights of appraisal with respect to any of the matters to be voted upon at the Annual Meeting.

All communications directed to the Board or individual directors in this manner will be relayed to the intended recipients.

Board Leadership

The Board has no formal policy with respect to separation of the positions of Chairman and Chief Executive Officer or with respect to whether the Chairman should be a member of management or an independent director and believes that these are matters that should be discussed and determined by the Board from time to time. Currently, we do not have a Chairman of the Board of Directors. The Board of Directors annually designates a Lead Independent Director. Since June 2018, William Collins has served in this position. The Lead Independent Director shall (i) coordinate the activities of the independent

directors of the corporation; (ii) coordinate with the Chief Executive Officer and Secretary of the corporation to set agendas for meetings of the Board of Directors; (iii) chair executive sessions of the independent directors of the corporation; and (iv) and in the absence of the Chairman of the Board of Directors, the Chief Executive Officer and the President of the Corporation, shall act as chairman and preside over all regular meetings or special meetings of the Board of Directors.

Risk Management

The Board believes that risk management is an important component of the Company's corporate strategy. While the Board assesses specific risks at its committee levels, the Board, as a whole, oversees our risk management process, and discusses and reviews with management major policies with respect to risk assessment and risk management. The Board is regularly informed through its interactions with management and committee reports about risks we face in the course of our business including economic, financial, operational, legal and regulatory risks.

Committees of the Board of Directors

The Board has established an Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee to assist it in the discharge of its responsibilities. The principal responsibilities of each committee and the members of each committee are described below. Actions taken by any committee of the Board are reported to the Board.

Audit Committee

The Audit Committee of the Board currently consists of Marshall Sterman (Chairman), William Collins and Wayne Cadwallader. Although our common stock is not currently listed on a national securities exchange, we have used the standards outlined by The NASDAQ Stock Market as they relate to Audit Committee membership and we have determined that all members of the Audit Committee meet all listing standards of the NASDAQ Stock Market for Audit Committee membership and are independent as defined by NASDAQ Stock Market listing standards. The Audit Committee held eleven (11) meetings during the fiscal year ended December 31, 2024. Each year it appoints a firm of independent public accountants to examine the financial statements of the Company and its subsidiaries for the coming year. In making this appointment, it reviews the nature of audit services rendered, or to be rendered, to the Company and its subsidiaries. The Audit Committee reviews with representatives of the independent public accountants the auditing arrangements and scope of the independent public accountants' examination of the financial statements, results of those audits, their fees and any problems identified by the independent public accountants regarding internal accounting controls, together with their recommendations. It also meets with the Company's Chief Financial Officer to review reports on the functioning of the Company's programs for compliance with its policies and procedures regarding ethics and those regarding financial controls. The Audit Committee is also prepared to meet at any time upon request of the independent public accountants or the Chief Financial Officer to review any special situation arising in relation to any of the foregoing subjects. The Board has adopted an Audit Committee Charter which sets forth the composition of the Audit Committee, the qualifications of Audit Committee members and the responsibilities and duties of the Audit Committee. A copy of the Audit Committee Charter will be provided to any person without charge upon written request to the Company's address to the attention of the Secretary. A copy of the Audit Committee Charter is available at www.orbitintl.com under "Investor Relations."

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee met on an informal basis during the fiscal year ended December 31, 2024. The Committee currently consists of Wayne Cadwallader (Chairman), Marshall Sterman and William Collins. Although our common stock is not currently listed on a national securities exchange, we have used the definition of “independence” of The NASDAQ Stock Market to make this determination. The Committee evaluates the appropriate size of the Board, recommends a change in the composition of members of the Board to reflect the needs of the business, interviews prospective candidates and formally proposes the slate of directors to be elected at each Annual Meeting of Stockholders. A copy of the Nominating and Corporate Governance Committee’s charter is available at www.orbitintl.com under “Investor Relations.”

When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of the Company’s business and structure, the Nominating and Corporate Governance Committee focuses primarily on each person’s background and experience as reflected in the information discussed in each of the directors’ individual biographies set forth above. The Nominating and Corporate Governance Committee periodically reviews and makes recommendations regarding the composition and size of the Board so that the Board consists of members with the proper expertise, skills, attributes, and personal and professional backgrounds needed by the Board, consistent with applicable regulatory requirements.

The Nominating and Corporate Governance Committee believes that all directors, including nominees, should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of our stockholders. The Nominating and Corporate Governance Committee will consider criteria including the nominee’s current or recent experience as a senior executive officer, whether the nominee is independent, the business, scientific or engineering experience currently desired on the Board, geography, the nominee’s industry experience, and the nominee’s general ability to enhance the overall composition of the Board.

The Nominating and Corporate Governance Committee does not have a formal policy on diversity; however, in recommending directors, the Board considers the specific background and experience of the Board members and other personal attributes in an effort to provide a diverse mix of capabilities, contributions and viewpoints, which the Board believes enables it to function effectively as the Board of Directors of a company with our size and nature of its business.

Although the Nominating and Corporate Governance Committee has not established minimum qualifications for director candidates, it will consider, among other factors:

- Broad experience; diversity,
- Judgment, skill, and integrity,
- Understanding of the Company’s business environment,
- Experience with businesses and other organizations of comparable size,
- Ability to make independent analytical inquiries,
- The interplay of the candidate’s experience with the experience of other Board members,
- The extent to which the candidate would be a desirable addition to the Board and any committees of the Board,
- Willingness to devote adequate time to the Board, and

- Whether a particular candidate is independent under the NASDAQ Stock Market listing standards.

The Nominating and Corporate Governance Committee will consider all director candidates recommended by stockholders. Any stockholder who desires to recommend a director candidate may do so in writing, giving each recommended candidate's name, biographical data and qualifications, by mail addressed to the Chairman of the Nominating and Corporate Governance Committee, in care of Orbit International Corp., 80 Cabot Court, Hauppauge, New York 11788. A written statement from the candidate consenting to being named as a candidate and, if nominated and elected, to serve as a director, must accompany any stockholder recommendation. Members of the Nominating and Corporate Governance Committee will assess potential candidates on a regular basis.

Compensation Committee

The Compensation Committee of the Board currently consists of William Collins (Chairman), Wayne Cadwallader, and Marshall Sterman, each of whom is independent as such term is defined under the NASDAQ Stock Market listing standards. Although our common stock is not currently listed on a national securities exchange, we have used the definition of "independence" of The NASDAQ Stock Market to make this determination. The Compensation Committee met on an informal basis during the fiscal year ended December 31, 2024. The Committee makes recommendations to the Board as to the salary of the Chief Executive Officer, sets the salaries of the other elected officers and reviews salaries of certain other senior executives. It grants incentive compensation to elected officers and other senior executives and reviews guidelines for the administration of the Company's incentive programs. The Compensation Committee also reviews and approves or makes recommendations to the Board on any proposed plan or program which would benefit primarily the senior executive group. A copy of the Compensation Committee Charter will be provided to any person without charge upon written request to the Company's address to the attention of the Secretary. A copy of the Compensation Committee Charter is available at www.orbitintl.com under "Investor Relations."
