**ORBIT INTERNATIONAL'S SIMULATOR PRODUCT SOLUTIONS LLC
SUBSIDIARY RECEIVES APPROXIMATELY \$1,200,000 AWARD**

All Deliveries Are Expected to be Completed by Year End

Third Quarter to Date Bookings for SPS In Excess of \$2,000,000

Hauppauge, New York, August 14, 2026-- Orbit International Corp. (OTCID Basic Market:ORBT), an electronics manufacturer and software solution provider, today announced that its Simulator Product Solutions LLC subsidiary ("SPS") has received an award from a large defense contractor for approximately \$1,200,000 during the current month. All deliveries for this order are expected to commence and be completed in the fourth quarter of the current year.

Mitchell Binder, President and CEO of Orbit International Corp. commented, "We are pleased to report this significant order for approximately \$1,200,000 received by SPS in the current month. The order is from a large defense contractor and is to support the SSC FoT effort for the U.S. Navy's Naval Air Warfare Center Training Systems Division (NAWCTSD). Of equal significance is that the shipping schedule for this order calls for all deliveries to commence and be completed in the fourth quarter of 2026. Bookings for SPS have improved with current orders in excess of \$2,000,000 thus far in the current third quarter. Additionally, proposals for our SPS customers have increased by approximately 16.6% year-over-year which, hopefully will well position delivery schedules for SPS for the remainder of 2026 and into the first half of 2027."

Orbit International Corp., through its Electronics Group, is involved in the development and manufacture of custom electronic device and subsystem solutions for military, industrial and commercial applications through its production facilities in Hauppauge, NY and Carson, CA. Orbit's Power Group, also located in Hauppauge, NY, designs and manufactures a wide array of power products including AC power supplies, frequency converters, inverters, VME/VPX power supplies as well as various COTS power sources.

Certain matters discussed in this news release and oral statements made from time to time by representatives of the Company including, statements regarding our expectations of Orbit's operating plans, deliveries under contracts and strategies generally; statements regarding our expectations of the performance of our business; expectations regarding costs and revenues, future operating results,

additional orders, future business opportunities and continued growth, may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and the Federal securities laws. Although Orbit believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, it can give no assurance that its expectations will be achieved.

Forward-looking information is subject to certain risks, trends and uncertainties that could cause actual results to differ materially from those projected.
